

Praying Through Hard Times

A Companion for Daily Devotions

Use this guide to note your prayer requests.

When someone or something comes to mind –

PAUSE and PRAY.

For the community [family, friends, neighbors]

For the leaders [of cities, states, businesses, schools, churches]

For first responder teams [doctors, nurses, paramedics, firefighters]

For the vulnerable [the isolated, sick, unemployed, disabled, elderly, etc.]

For those away from home [missionaries, students, military, etc.]

For those in my home [housemates, spouse, kids, grandparents]

For my own needs [daily, weekly, ongoing, future]

For other needs that come to mind

*Let's remember...prayer IS powerful and
turn worry moments into warrior moments.*
